

The Journal of Combinatorics

Aims and Scope

The Journal of Combinatorics (JOC) is the printed version of electronic journal by International Press. JOC welcomes papers in all branches of discrete mathematics, including combinatorics, graph theory, discrete algorithms, etc.

Papers can be submitted electronically in LaTeX, AMS-TeX, or plain TeX.

Research articles as well as articles of more general interest are welcome. To submit articles, please send Tex, Latex files or postscript to:

zebnik@math.udel.edu

The subscription price for 2003 is only **\$164** and it will not increase in 2004!

To subscribe, please email to:
