* For international customers, domestic (not international) shipping & handling fees apply where a subscription is through an agency, and the agency receives the shipments from us at a domestic address (for consolidated shipping overseas).

† Because lower-cost *surface* international shipping (as an option to air mail) is no longer available, all shipments to destinations outside the U.S. must go by air mail. Therefore, our international shipping/handling fee is higher than the domestic, in order to cover the difference in cost. The advantage is that international shipping times will be substantially reduced.

‡ If you do not wish to receive a copy of Surveys Vol. 13, please deduct \$35 from your JDG subscription price. Surveys Vol. 13 is also sold separately.
