

Institutional Subscriber IP Address Ranges

For institutional subscribers to International Press journals.

Date: _____

Name of Subscribing Institution (please specify university/college, institute, library, department, etc.):

Customer ID: _____ (*institution's International Press customer ID; if known, please indicate*)

Institution's IP (internet protocol) addresses and/or ranges:

Note on specifying an IP address range: Enter all four parts, separated by dots, e.g., 111.22.33.44. Within any of the four parts of the address, specify a range of 0-255 with an asterisk (); specify any other range with the upper and lower values separated by a hyphen, e.g., 0-13, 64-128, or 200-255.*

Domain address (e.g. harvard.edu): _____

Institution's administrative contact for online-access matters:

Name (please print): _____

Telephone: _____ E-mail: _____

International Press agrees to grant full online access, through the specified IP addresses/ranges, to the online materials to which the Institution is subscribed. However, please note that the scope and extent of this access is subject to the limitations of the Electronic Access License Agreement.

Please complete this form and return it to:

Attn: Online Access
International Press
P.O. Box 43502
Somerville, MA 02143 USA

You may also fax it to us at 617-623-3101, or e-mail it to online-access@intlpress.com.
