Corrigendum to "Uniformization of Modular Curves"

HERSHEL M. FARKAS, YAACOV KOPELIOVICH, AND IRWIN KRA

On page 255, the following diagram should be inserted after the word "diagram" on line 14:

$$
\begin{array}{ccc}
\overline{\mathbb{H}^2/\Gamma(9)} & \xrightarrow{X} & \mathbf{P}\mathbb{C}^3 \\
\pi \downarrow & & \downarrow \omega, \\
\overline{\mathbb{H}^2/\Gamma(9)}/\langle \tilde{B}^3 \rangle & \xrightarrow{X_1} & \mathbf{P}\mathbb{C}^2
\end{array}
$$
